Take the example of a student who is given Confirmed Offers by 2 institutions during Phase 1 Offer Stage. He must decide by the end of Phase 1 Acceptance Stage (15 Jul 05) if he wishes to accept either offer. If he has decided to accept XJC's offer, he would have to submit his acceptance at XJC. He will be confirmed admission into the institution as long as he meets the eligibility criteria for JC admission.

If he has received another offer from ZJC during Phase 2 Offer Stage that he would like to take up, he must first cancel his earlier acceptance of XJC's offer at MOE Customer Service Centre before the end of the Cooling-Off Stage (20 Jul 05) and must then submit the acceptance at ZJC before the end of Phase 2 Acceptance Stage (29 Jul 05).
