

EXERCISE SCHOOL PREFERENCE - TO BE MADE MORE CONVENIENT FOR PARENTS

1. MOE will be introducing a new Internet system (similar to last year's Secondary One Internet system) to make it more convenient for parents to be able to submit their child's DSA school preference(s) online, from their home or anywhere with an internet connection.
2. The parents of each DSA candidate will be issued a unique Direct School Admission Personal Identification Number (DSA PIN) together with the School Preference Form. This DSA PIN will enable parents to submit DSA school preference(s) for their child using the new Internet System. Parents are advised to keep their PIN confidential.
3. Parents using the Internet system are strongly encouraged to fill up the hardcopy DSA School Preference Form before they log into the system to submit their school preference(s) for their child. The hardcopy form provides a useful guide to parents and will reduce the time parents need to complete the online application. The online screen shots of the application are shown at **Annex A1**.
4. Staff of the primary schools will be around during the Exercise School Preference Stage (23 to 30 Oct 2008) to provide assistance to parents if required. MOE and the schools will also support parents who would like to use the Internet system but need help or do not have internet access at home. Parents can also refer to the Internet system website or contact MOE's Customer Service Centre for assistance.
5. **Parents who wish to use hardcopy forms to submit their child's DSA school preference(s) to the primary school can still do so.** The Exercise School Preference procedures remain unchanged.
