

**Supplementary Information on the
Inter-Ministry Cyber Wellness Steering Committee (ICSC)**

1. The ICSC was formed in 2009 to coordinate the Government's efforts in cyber wellness through working with people- and private-sector organisations. It aims to develop and implement a national strategy to promote cyber wellness among youths and parents. The ICSC is co-chaired by the Ministry of Education and Ministry of Communications and Information and includes representatives from the following ministries and government agencies:

- Ministry of Social and Family Development
- Ministry of Defence
- Ministry of Home Affairs
- Info-communications Media Development Authority
- National Library Board
- Health Promotion Board
- Intellectual Property Office of Singapore
- National Youth Council
- People's Association
- Cyber Security Agency
