Note:

- @ 1) MOE will reserve 40 places in every primary school for registrants in Phase 2B and 2C to ensure continued open access to all primary schools. The 40 places will be reserved in Phase 2B and 2C (20 places for each phase) before the start of the P1 Registration Exercise.
- @ 2) SCs will be given absolute priority over PRs when balloting is necessary in a specific phase. SCs and PRs will continue to be eligible for the same phases, and all applicants will be admitted if the total number of applications in any phase does not exceed the number of vacancies. However, if the number of applications exceeds the number of vacancies in a specific phase, SCs will be admitted first ahead of PRs, before home-school distance is considered.

- @ 3) Should the number of SC applications exceed the number of vacancies in a specific phase and home-school distance category, places will be balloted according to the home-school distance category in the following order of priority:
- (a) Children living within 1km of the school of choice
 - (b) Children living between 1km and 2km of the school of choice
 - (c) Children living outside 2km of the school of choice
- @ 4) Should the number of SC applications be less than the number of vacancies in a specific phase, all SCs will be admitted first. The remaining vacancies in that phase will be balloted amongst the PRs based on the above home-school distance category.
- * At the end of Phase 2A(2), 50% of the remaining places (including the 40 reserved places) will be allocated for Phase 2B and the other 50% for Phase 2C registrants in a school. In the event that there are vacancies left at the end of Phase 2B, the remaining vacancies will be carried forward to Phase 2C.
- # 1) Non-Singapore Citizen (SC) / non-Permanent Resident (PR) children who wish to seek admission to P1 in 2019 are required to undergo a two-step process:
- Step 1: Submit an online 'indication of interest' form in June 2018; **and**
- Step 2: Only non-SC / non-PR children who have submitted the 'indication of interest' form and are notified in October by MOE that they can be offered a P1 place in the school must register in-person at designated schools in October 2018 during Phase 3 of the 2018 P1 Registration Exercise.
- # 2) Parents of non-SC / non-PR children should note that admission is **not guaranteed** as there are limited vacancies remaining for non-SC / non-PR children after places are allocated to SC / PR children. As admission is not guaranteed, parents of non-SC / non-PR children are advised to consider alternative educational options well ahead of time.
- # 3) Parents of non-SC / non-PR children are to indicate their interest online from 5 June 2018, 9.00am to 11 June 2018, 4.30pm. MOE will centrally process all the applications **after** all SC / PR children have registered in earlier phases. MOE will inform parents of non-SC / non-PR children in October 2018 via postal mail, on whether their children can be offered a P1 place in a school. Parents of non-SC / non-PR children who can be offered a P1 place are required to register for the place in-person at the designated school in late October 2018 during Phase 3 of the 2018 P1 Registration Exercise, with the original documents for verification. The schools will inform parents of their placement outcome by 31 October 2018.
- # 4) Parents of non-SC / non-PR children can visit the P1 Registration website for more information on admission to P1 in 2019.
- ^ For all non-SC / non-PR children who have indicated interest, including those who cannot be offered a P1 place.
