

TIP 10

Let's Help Out At Home

When children help with household duties, they learn to take care of the people and things around them.

Your child is learning to be a responsible young person. In school, they might be asked to take on simple tasks like helping to clean the classroom. Chores like that will help your child learn that everyone plays a part in keeping our environment clean - a lesson they can take home too!

Lend A Hand

Talk with your child about how to help keep the school spick and span.

What can you do to keep your classroom clean?

Housework Can Be Fun!

Show your child how to carry out simple household chores, then ask them to try it out. When they have done it successfully, give them a pat on the back and tick it off this list.

I Know How To:

- Sweep the floor
- Put litter in the dustbin
- Hang up the laundry
- Fold the clothes
- Wash the dishes
- Set the table
- Wipe the table
- Bring dishes back to the kitchen
- Tidy my bed
- Keep my study space neat

Attention, Please!

Make a poster to encourage everyone in the house to help keep your home neat and tidy.

Draw your poster here! If it's too small, use this space to plan your design - and do it on a larger piece of paper when you are ready.

Who Is Helping Out At Home?

★Thank★

Every family member plays a part in keeping the house comfortable for everyone.

My Neighbourhood Hero

With your child, find out who helps to keep your neighbourhood clean. Write this person a note to thank them for their important work.

Thank You

Dear _____,

Thank you for helping to keep
the neighbourhood clean!

We appreciate your hard work.

Love,

This marks the end of
your book, but your primary
school adventure goes on.

Have fun learning, together!
