Source: Graduate Employment Survey jointly conducted by NUS, NTU, SMU, SUTD, SIT and SUSS

Notes:

1. Employment rates refer to the number of graduates employed as a proportion of graduates in the labour force (i.e. those who were working, or not working but actively looking and available for work) approximately six months after completing their final examinations, i.e. as at 1 November 2025.
2. The Joint Graduate Employment Survey is conducted by the six Autonomous Universities (NUS, NTU, SMU, SUTD, SIT and SUSS) every year to collect information on the employment status of graduates around six months after their final examinations. In 2023 and 2024, NUS, NTU, SMU, SUTD and SUSS conducted their surveys in November, while SIT conducted the survey in March the following year. In 2025, all six Autonomous Universities conducted their surveys in November 2025.
3. Appendix lists all courses under each course cluster. Course-level employment indicators can be found in the respective AUs' web publications at https://www.moe.gov.sg/post-secondary/overview/autonomous-universities/. For the full-time outcomes of Dentistry, Education, Interdisciplinary, Music courses and follow-up outcomes of Architecture, Law, Medicine and Pharmacy courses, please refer to the respective course-level outcomes in the respective AUs' web publications.
4. Secured Employment refers to graduates (i) working on a full-time permanent, part-time, temporary or freelance basis, (ii) who had accepted a job offer and were starting later or (iii) who were taking steps to start a business venture.
5. Currently Employed refers to graduates working on a full-time permanent, part-time, temporary or freelance basis.
6. Full-time permanent employment refers to employment of at least 35 hours a week and where the employment is not temporary. It includes those on contracts of one year or more.
7. Gross monthly salary pertains only to full-time permanently employed graduates. It comprises basic salary, overtime payments, commissions, fixed allowances and other regular cash payments, before deductions of the employee's CPF contributions and personal income tax. Employer's CPF contributions, bonuses, stock options, lump sum payments, and payments-in-kind are excluded.
