Student-Centric & Values-Driven Holistic Education

MEASURES TO BUILD A BROAD AND DEEP FOUNDATION FOR LIFELONG LEARNING

INSTILLING DEEP VALUES

Values in Action/Character and Citizenship Education to cultivate values and commitment to Singapore and fellow Singaporeans.

BUILDING DEEP FOUNDATION FOR LEARNING

Comprehensive suite of levelling-up programmes to ensure that all students who require additional help will receive it.

PROVIDING BROAD, INCLUSIVE & HOLISTIC EDUCATION

Every primary school to have Programme for Active Learning and emphasise more on PE, Art and Music to allow students to discover interests and strengths, and develop holistically.

LEARNING FOR LIFE

Every secondary school to develop Applied Learning Programme for real-world applications of knowledge and skills, and Learning for Life Programme to develop character and values through real-life experiences.

Broadening PSLE Scoring to reduce over-emphasis on examinations.

More opportunities for Continuous Education and Training for Singaporeans of all ages.
