

2016 PRIMARY ONE REGISTRATION EXERCISE FOR ADMISSION TO PRIMARY ONE IN THE YEAR 2017

Dear Parents

This insert provides essential information in preparation for your child's registration for admission to Primary One in 2017. We hope you will find this information useful.

Age Requirement

The 2016 Primary One Registration Exercise is for children born between 2 January 2010 and 1 January 2011 (both dates inclusive). The children will be at least 6 years old on 1 January at the year of admission.

Compulsory Education (CE)

Under the Compulsory Education Act, Singapore Citizens born after 1 January 1996 and residing in Singapore are required to attend national primary schools regularly. Hence, if your child was born between **2 January 2010 and 1 January 2011 (both dates inclusive)**, you would have to register your child at the **2016 Primary One Registration Exercise** for admission to Primary One in **January 2017**.

If a child has been medically assessed to be not ready or suitable for Primary One, approval for deferment of registration can be considered. To apply for deferment, an application can be made using the relevant form available at the Customer Service Centre, MOE Building, 1 North Buona Vista Drive, Singapore 138675 or downloaded from MOE's website at <http://www.moe.gov.sg/>.

Schools Listing

A list of schools grouped by Planning Area is provided for your information.

Registration Details

The 2016 Primary One Registration Exercise will be conducted from 30 June to 26 August 2016. Registration for each phase is conducted at the primary school that you wish your child to be admitted into (provided they are eligible for admission during that phase).

Detailed information on the Primary One Registration Exercise will be published in the media before the registration begins. The information is also available on the Internet (<http://www.moe.gov.sg/>) and from the MOE Customer Service Centre (CSC) at Tel: 6872 2220 from June 2016 onwards.

Note:

- 1) MOE will reserve 40 places in every primary school for registrants in Phase 2B and 2C to ensure continued open access to all primary schools. The 40 places will be reserved in Phase 2B and 2C (20 places for each phase) before the start of the P1 Registration Exercise.
- 2) Singapore Citizens (SCs) will be given absolute priority over Singapore Permanent Residents (PRs) when balloting is necessary in a specific phase. SCs and PRs will continue to be eligible for the same phases, and all applicants will be admitted if the total number of applications in any phase does not exceed the number of vacancies. However, if the number of applications exceeds the number of vacancies in a specific phase, SCs will be admitted first ahead of PRs, before home-school distance is considered.
- 3) Should the number of SC applications exceed the number of vacancies in a specific phase, places will be balloted according to the home-school distance category in the following order of priority:
 - (a) Children living within 1km of the school of choice
 - (b) Children living between 1km and 2km of the school of choice
 - (c) Children living outside 2km of the school of choice
- 4) Should the number of SC applications be less than the number of vacancies in a specific phase, all SCs will be admitted first. The remaining vacancies in that phase will be balloted amongst the PRs based on the above home-school distance category.

- * At the end of Phase 2A(2), 50% of the remaining places (including the 40 reserved places) will be allocated for Phase 2B and the other 50% for Phase 2C registrants in a school. In the event that there are vacancies left at the end of Phase 2B, the remaining vacancies will be carried forward to Phase 2C.
- # 1) Children who are Singapore Citizens or Singapore Permanent Residents and who are still not registered in a school after the earlier phases are also eligible to register at this phase.
- # 2) Should the number of applications exceed the number of vacancies, priority will be given to the following order:
 - (a) Children who are Singapore Citizens
 - (b) Children who are Singapore Permanent Residents
 - (c) Children who are not Singapore Citizens or Singapore Permanent Residents
- # 3) Parents of non-Singapore Citizen (SC)/non-Singapore Permanent Resident (PR) children should note that admission is **not guaranteed** as there are limited vacancies remaining for non-SC/non-PR children after places are allocated to SC/PR children. MOE will publish the list of available primary schools for parents to register their child in this phase. MOE will thereafter centrally process all the applications and the posting outcome will be released to parents by 30 November 2016. School posting will take into consideration factors such as availability of school vacancies and ensuring a good spread of students. In view that Phase 3 vacancies are limited, MOE posting is final. We will therefore not entertain nor reply to appeals on the posting results. Our schools will also not entertain any walk-in applications for admissions or transfer of non-SC/non-PR children. As admission is not guaranteed, parents are advised to consider alternative educational options well ahead, even as you may decide to register your child during Phase 3 of the P1 Registration Exercise.
