HIGHLIGHTS OF ACTIVITIES

The Education Fund received and used donations from general public and well-wishers to fund projects that help to advance education generally. Below are some of the projects that were funded by the Education Fund in FY2021.

Special Awards for Outstanding Students

The Special Awards are given out annually in recognition of students' achievements in both the academic and non-academic spheres.

In 2021, a total of 194 students from 80 educational institutions received awards from the following categories:

- i. The Prime Minister's Book Prize;
- ii. Lee Kuan Yew Award for All-Round Excellence;
- iii. Lee Kuan Yew Award for Mathematics and Science;
- iv. Lee Kuan Yew Award for Outstanding Normal Course Students;
- v. Lee Kuan Yew Exemplary Student Award;
- vi. Lee Kuan Yew Scholarship to Encourage Upgrading;
- vii. Lee Hsien Loong Award for Outstanding All-Round Achievement;
- viii. Lee Hsien Loong Award for Outstanding Bicultural Students;
- ix. Lee Hsien Loong Award for Special Achievement;
- x. Lee Hsien Loong Interactive Digital Media Smart Nation Award; and
- xi. Sultan Haji Omar Ali Saifuddien Book Prize.

Lee Wee Kheng Fund for Needy School Children

The Lee Wee Kheng Fund for Needy School Children was set up in 2007 from a donation received from the Estate of Lee Hiok Kwee in memory of his late father. This Fund provides an annual provision of \$7,500 to \$10,000 to more than 100 schools, for each school to support needy Singaporean students in ways it considers most appropriate. This supplements the financial assistance that MOE provides for.

The usage of the funds varies across schools and include items such as providing refreshment, stationery and school uniforms to students and conducting learning enrichment programmes for at-risk students.

Daisy Phay Foundation

The Daisy Phay Foundation was set up in 2011 from a donation received from the estate of Dr Phay Seng Watt, former Chairman of the Public Service Commission (from 1962 to 1975), in memory of his wife, Daisy.

This Foundation gives out annual scholarships and bursaries to Singaporean students studying in junior colleges or equivalent standards in MOE schools. A total of 206 students received an award of \$1,000 each in CY2021.

Financial Assistance Fund

The Financial Assistance Fund was created in 2018 to receive contributions from donors who wish to help Singapore Citizen students from less advantaged backgrounds.

The Fund supplements existing funding given under the MOE Financial Assistance Scheme (FAS) and school-based FAS grants. Schools are given the flexibility to provide support such as textbooks, school meals or transport allowance to the less advantaged students.

Nasser Saddique Bursary

The Nasser Saddique bursaries are funded by the donations received from the Estate of Saddique Nasser Omar Hassan in 2020. The bursaries were disbursed to needy Singapore Citizen students in selected secondary schools. A total of 20 secondary schools received \$5,000 each in CY2021.

THE YEAR AHEAD

The Education Fund (EF) will continue to fund its current programmes, including the Special Awards to students, provision of financial support to financially needy students and other arts and culture and teaching and learning programmes. Any new activity or programme will be evaluated for its merits towards advancement of education.

EF is currently not actively fund-raising and has no plans to do so in the next few years, as the fund balance is still sufficient to generate investment income to support the planned activities.

FINANCIAL REVIEW

The Education Fund registered a net deficit of \$1.3m in FY2021 (FY2020: net surplus of \$1.6m).

FY2021 income was \$5.1m (FY2020: \$3.6m), while FY2021 expenditure was \$6.4m (FY2020: \$1.9m). The increase in expenditure was due to the higher cash outflow upon completion of programmes.

The fund balance stood at a healthy \$228.2m (FY2020: \$229.6m).
