Daisy Phay Foundation

The Daisy Phay Foundation was set up in 2011 from a donation received from the estate of Dr Phay Seng Watt, former Chairman of the Public Service Commission (from 1962 to 1975), in memory of his wife, Daisy.

This Foundation gives out annual scholarships and bursaries to Singaporean students studying in junior colleges or equivalent standards in MOE schools. 266 students received an award of \$1,000 each in CY2022.

Lee Wee Kheng Fund for Needy School Children

The Lee Wee Kheng Fund for Needy School Children was set up in 2007 from a donation received from the Estate of Lee Hiok Kwee in memory of his late father. This Fund provides an annual provision of up to \$8,000 to more than 100 schools, for each school to support needy Singaporean students in ways it considers most appropriate. This supplements the financial assistance that MOE provides for.

The usage of the funds varies across schools and include items such as providing refreshment, stationery and school uniforms to students and for the students to attend enrichment programmes, such as the Financial Literacy Programme and the Speech and Language Therapy programme.

Financial Assistance Fund

The Financial Assistance Fund was created in 2018 to receive contributions from donors who wish to help Singapore Citizen students from less advantaged backgrounds.

The Fund supplements existing funding given under the MOE Financial Assistance Scheme (FAS) and school-based FAS grants. Schools are given the flexibility to provide support such as textbooks, school meals or transport allowance to the less advantaged students. 19 schools applied and received assistance in CY2022.

Nasser Saddique Bursary

The Nasser Saddique bursaries are funded by the donations received from the Estate of Saddique Nasser Omar Hassan in 2020. The bursaries were disbursed to needy Singapore Citizen students in selected secondary schools. A total of 28 secondary schools received \$5,000 each in CY2022.

Lee Kuan Yew Centennial Fund

The Lee Kuan Yew Centennial Fund was established in 2023 from a ground-up initiative by business leaders to invest in and support the development of Singapore youth to become visionary leaders with the imagination and determination to shape Singapore's future as an exceptional nation.

It will be used to support the following four education-related initiatives to develop and recognise young leaders in Singapore, and may also be used for other education-related initiatives in future:

- Singapore Young Leaders Programme;
- Expansion of Lee Kuan Yew Scholarship Awards;
- Lee Kuan Yew Post-Graduate Scholarship for Urban Greenery and Ecology; and
- Additional support for up to 1,000 Institute of Technical Education (ITE) and polytechnic students from disadvantaged backgrounds who demonstrate resilience and potential.

The Year Ahead

The Education Fund (EF) will continue to fund its current programmes, including the Special Awards to students, provision of financial support to financially needy students and other arts and culture and teaching and learning programmes. Any new activity or programme will be evaluated for its merits towards advancement of education.

EF is currently not actively fund-raising and has no plans to do so in the next few years, as the fund balance is still sufficient to generate investment income to support the planned activities. However, EF will continue to receive donations for its established programmes. EF projects to receive at least \$100m (including matching grants) for the Lee Kuan Yew Centennial Fund, a new Specific Fund, which was established in 2023.

Financial Review
