# IMPORTANT NOTES

1. SEAB's Candidates Portal (CP) is a self-help portal for International Students (IS) to keep track of their registration status and to receive test-related documents and notices in preparation to sit for the 2026 AEIS.
2. All applicants **must first create an individual account in CP** using their full personal particulars before they are able to register for the 2026 AEIS. They should provide the following information for account creation:

  - b. A **valid e-mail address** (This email is required for 2FA.)

3. Applicants will receive an email with the Account Username and instructions for login after creating an account. **The Username is unique to the specific applicant and cannot be changed. Applicants are to set the password to complete the account creation process.**
4. Account creation does not guarantee a place in the 2026 AEIS. However, **applicants' personal details** provided in account creation will be used for registration for the AEIS and **should not be amended.**
5. Each applicant can only create ONE account. **When multiple accounts of the same person are detected by the system, the applicant will not be able to enter the registration phase** to secure a place for the AEIS when registration commences.
