

Enhancing Support for Students with Special Educational Needs

“Last year, I shared that MOE was implementing **TRANSIT, for P1 students with social and behavioural needs**. Since then, about 180 students have made encouraging progress in developing their self-management skills.”

Ms Sun Xueling

Minister of State for Education

Enhancing Support for Students with Special Educational Needs

“St Andrew’s Mission School began operating in January 2022 at Bukit Batok. Its permanent site will be located next to Nan Hua High School, and it will provide 500 primary and 350 post-primary level school places.”

A close-up photograph of a person's hands clasped together, resting on a lush green lawn. The person is wearing a dark blue short-sleeved shirt and white sneakers with white socks. The background is a dense field of green grass.

Partnering Key Stakeholders to Achieve MOE's Vision

“MOE is part of a whole-of-government effort to support youth mental well-being, through the Interagency Taskforce for Mental Health and Well-being. As part of this Taskforce, MOE and MSF are working together to **provide greater support for families, children and youths to enhance mental well-being.**”
