

MOE COS 2023 LEARN FOR LIFE: FORGING OUR COLLECTIVE FUTURE

YOU JUST LEVELLED UP!

Power-ups
MOE is using
to support you
through every
life stage

IMPROVE QUALITY OF PRESCHOOL EDUCATION

Develop the Early Childhood teaching force

by increasing salaries for educators in MOE Kindergartens (MKs) by **up to 10%**

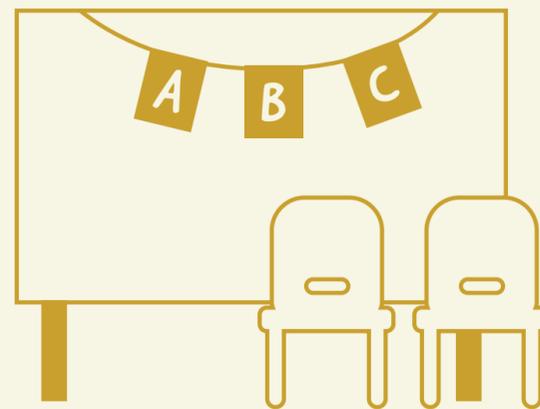

Revised **Nurturing Early Learners (NEL) Framework** to provide updated guidelines for quality teaching and learning

This includes stronger emphasis on developing children's values, social and emotional competencies, and learning dispositions

ENHANCE ACCESSIBILITY OF PRESCHOOL EDUCATION

10 more MOE Kindergartens to be launched

Total **60 MKs by 2027**, to provide parents with more preschool choices

Income ceiling for priority admission to MKs raised to

\$4,500

(Gross Household Income)

OR

\$1,125

(Per Capita Income)

to ensure MKs remain accessible to lower-income households

For more info on developments in the preschool sector, visit ecda.gov.sg

PRESCHOOL

LEVEL 1

FULL SBB: GREATER CUSTOMISATION AND FLEXIBILITY IN LEARNING

Students will be posted to Sec 1 through one of three **Posting Groups**

Students will be placed in **mixed form classes** comprising peers with different backgrounds, strengths and interests

Students can **take subjects at different subject levels**

according to their strengths, interests and learning needs

They can **adjust their subject levels** at appropriate junctures across their secondary school journey

MORE SUSTAINED OPPORTUNITIES FOR INTERACTION BETWEEN MAINSTREAM AND SPED SCHOOLS

All SPED schools to **have meaningful partnerships** with mainstream schools to nurture inclusivity and support SPED students in integrating to society

IMPROVING QUALITY OF SPED EDUCATION

2 new SPED syllabuses focusing on communication and social-emotional skills

To help students **live independently, learn continually, and work productively**

For more info, visit moe.gov.sg/microsites/cos2023

PRI & SEC

LEVEL 2

MORE PATHS, AND MORE POROSITY IN BETWEEN

Increased access
to polytechnics

FROM THE AY2028 INTAKE
More students, like those taking G3 subjects or a mix of G3 & G2 subjects, can join the

Polytechnic Foundation Programme (PFP)

FROM THE AY2026 INTAKE
PFP students choose a **cluster of interest** instead of a specific diploma

A-LEVEL CURRICULUM CHANGES TO STRENGTHEN 21CC AND INTRINSIC MOTIVATION TO LEARN

3 H2 content-based subjects

will count towards **University Admission Score (UAS)** by default.
Fourth content-based subject included only if it improves UAS

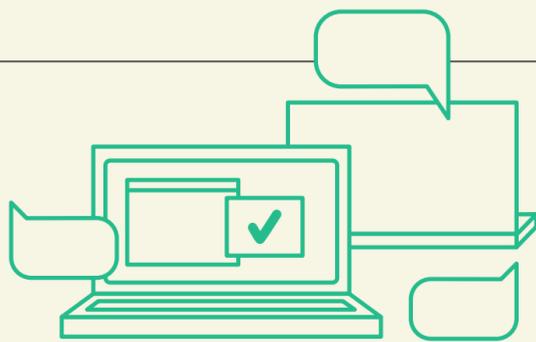

Removal of mid-year exams

progressively from 2024

All students must study **General Paper**; H2 Knowledge & Inquiry remains a contrasting subject for both Arts and Science students

Project Work

will be a **Pass-Fail** subject

MORE UPGRADING OPPORTUNITIES THROUGHOUT LIFE

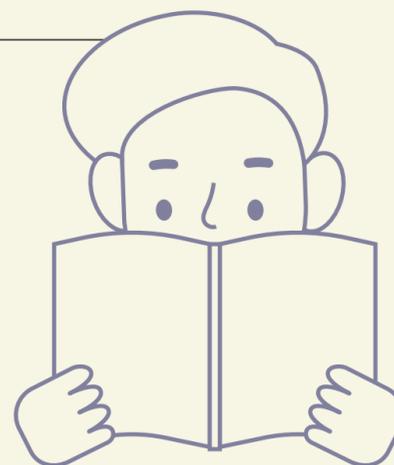

60%

in 2025

How much the **“Lifetime Cohort Participation Rate”** for publicly-funded university degrees will increase to, up from 50% today

More Singaporeans can study in university, at different life stages

More subsidised places for adults to do pre-employment training and Continuing Education and Training programmes

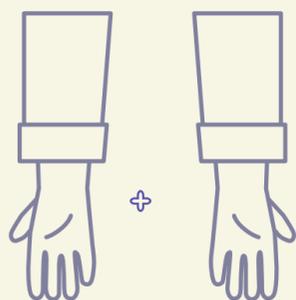

Workplace Skills Recognition (WPSR) Programme

can help workers gain formal certifications for skills developed at the workplace

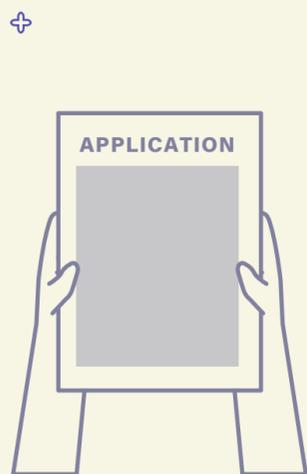

Pilots in Food Services and Retail sectors

MATCHMAKING JOBS WITH SKILLED JOBSEEKERS

Enhancing job compatibility

through the **Jobs-Skills Integrator**, to be piloted in 3 sectors: Precision Engineering, Retail, and Wholesale Trade

So IHLs, training providers, employers and individuals can create and benefit from more relevant training opportunities as well as improved

employer-employee matches

ADULTHOOD

LEVEL 4

IT TAKES A VILLAGE

MOE to partner parents as they seek to **strengthen relationships** with their children

Support our **Parent Support Groups**

to work closely with schools

Increase students' exposure to workplaces

by facilitating more partnerships between industry and schools

SUPPORT DISADVANTAGED STUDENTS

Nationwide expansion

of UPLIFT Community Network, to support **1300 students** from disadvantaged backgrounds through partnerships between school and community

PARENTS & PARTNERS
