

# Secondary School Experience and Post-Secondary Pathways Today

Ministry of Education  
SINGAPORE

Based on their PSLE scores, students are allocated to the Express, Normal (Academic) and Normal (Technical) streams, and admitted into Secondary schools in these three streams. These academic streams largely determine students' access to subjects and programmes in secondary school, and post-secondary pathways.

# Secondary School Experience and Post-Secondary Pathways Under Full SBB

Ministry of Education  
SINGAPORE

From 2024 Sec 1 cohort onwards, Posting Groups will be used to facilitate the admission of students to secondary schools. Once students are posted to Sec 1, they will have a school experience that better caters to their different strengths, interests, and learning needs, no longer distinguished by academic streams. There will be greater flexibility for students to customise their learning. Students will have more options for their post-secondary pathways, while ensuring they have strong fundamentals, and can thrive in their chosen pathway.
