YOUR Journey to Secondary School Starts Here

What's new about the PSLE? How should I prepare?

When you get your results, you will receive a PSLE Score (instead of the 3-digit T-score of the past). Your PSLE Score will help you gain entry into secondary school, and you can choose your school from a variety of different ones.

How will you choose? It's not just about the school's Cut-Off Point! Read on to find out more.

All the best!

Share your journey with your classmates and friends! Take a photo with your filled-out handout, get an adult to share it on Instagram, and tag us @moesingapore
